

Wall Signs

Large Sizes (11"+ Widths)

Arris System Large Assembly wall mounted frames come standard with an 1/8" thick non-glare acrylic lens as described below but the frames are compatible with essentially any 1/8" thick rigid display material, including photopolymer, metallic or other laminates, engraved plaques and more.

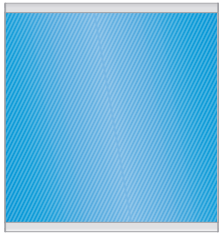

Large Assembly **LA**

Arris System Large Assembly signs, feature radius aluminum profiles at the Top and Bottom of the frame. Overall depth of the signs is 11/16". Mounting is via concealed mechanical fasteners only.

Add 2-1/4" for overall height and 3/16" for overall width
